

**REMARKS**

**Restriction Requirement and Applicant's Response**

Claims 1-19 are pending in the present application.

In the Restriction Requirement mailed January 22, 2010, the Examiner required restriction to one of two groups.

Group I:        Claims 1-14, and 18-19, allegedly drawn to a primer set for identifying a killer-cell immunoglobulin-like receptor allele (KIR) and a kit.

Group II:       Claims 15-17, allegedly drawn to a method for identifying a KIR allele.

Applicants elect Group I, Claims 1-14 and 18-19, without traverse.

Applicants further specifically reserve the right to file a divisional application directed to claims within the non-elected group.
